CUT MOTION NO. 12

Exemption for certain teachers from training *(cont.)*

Mr. C. V. Iyyu *(Kunnamkulam):* The policy of the Government of taking in untrained teachers till now has been incorrect. I have also to state that hereafter at least the Government may do well to adopt the principle of giving preference to trained teachers in the matter of recruitment to the teaching service. If such a policy is adopted this problem can to a very great extent be solved and if the Government insist that even those who are 35 years of age or those who have 12 years of service ought to be trained, the Government must provide Training Institutions, even an L. T. College, here in the State itself. The cut motion is tabled with the intention of giving exemption to such teachers. I agree with the Hon'ble Member for Vadakkancheri
